

Custom Printed Logo Bar Runners and Mats

Eyecatching custom printed bar runners or mats for a huge variety of uses!

Description

Ultraabsorbant and soft, these high quality knitted polyester topped mats have a nitrile based rubber backing that is grease and oil resistant, making them the perfect solution for a huge range of uses and environments, including bar mats, point of sale countertops, mousemats or short term event matting. The premium nature of the backing ensures a good grip and lays completely flat without creasing.

The quality of the image and full colour reproduction is outstanding, meaning that your branding or choice of artwork can be showcased in a vibrant and eyecatching manner.

KEY FEATURES:

- Printed in CMYK via dye sublimation print, with a colour chart available for matching
- Photographic images can be printed in high quality reproduction
- Can be laundered in a regular washing machine
- Air dries quickly
