

Comfy Rib Premier Mat

A premium, all-in-one anti-fatigue mat and insulation solution.

Description

Boasting a 13mm neoprene-like base, the Mat World Comfy Rib Premier doubles as both an anti-fatigue mat and a legitimate insulation solution. With a top surface of 3mm thick ribbed pure vinyl, our Comfy Rib Premier combines an ultra-tough, hard-wearing and puncture resistant surface coupled with ribbing to guard against slips. A premium product in every sense of the word, our Comfy Rib Premier fits the bill for a quality workplace mat beveled on all four sides.
