

Diamond Foam

An economical anti-fatigue flooring solution

Description

The Mat World Diamond Foam Anti-Fatigue Mat is an economical safety flooring solution in black with yellow edging. Comprised of a resilient closed-cell EVA foam, the diamond plate-style top surface of our Diamond Foam mat ensures a particularly good gripping surface underfoot that helps reduce the risk of slips.

KEY FEATURES

- Moulded-in yellow borders feature bevelled edges that add an additional safety layer
- Available in 18.3m rolls or cut to any required length
- The cut ends can also be supplied bevelled to reduce the risk of trips and stumbles
