

S-Mat

An all-in-one anti-fatigue flooring solution that does it all.

Description

The Mat World S-Mat is constructed from a unique foam plastic composition that offers superb foot relief in industrial and commercial applications. Oil and grease resistant, this versatile, premium anti-fatigue industrial mat can be used in a variety of environments where mats of lesser quality would soon perish.

Our Anti-Fatigue S-Mat is particularly suited for wet areas such swimming pool surrounds, showers, and locker rooms due to excellent water run-off and specially designed S-pattern.
